## Burnup report

[> How to read this report](#)**Sprint**

QTS Sprint 1

**Estimation field**

Story points

**Date** - August 26th, 2025 - September 9th, 2025

**Sprint goal** - Sprint 1 - Goal: Set up user accounts and database structure so that the application can store and retrieve user information.  
Sprint 2 - Goal: Test the functionality for users to search and filter nearby users by zipcode and distance. Sprint 3 - Goal: Test that users can connect with nearby users, view online status, and search by tags.

**Completed work**

Number of story points completed this sprint

**Guideline**

Ideal burn rate

**Work Scope**
